

NORTH HILLS ATHLETIC ASSOCIATION

BASEBALL / SOFTBALL TOURNAMENT INFORMATION

At the conclusion of the regular season, tournament season begins. Tournament season starts in Mid-June and has the potential to run the entire month of July. North Hills Athletic Association starts tournament play for both Baseball and Softball at the eight-year-old level. The selection of the particular tournament teams is dependent on the level of play and number of players interested in participating in tournament play. Roster spots are limited and players will be chosen based on their skill level and attendance during the regular season.

By being selected to a tournament team, the player and parent(s) are making a commitment to not only the tournament team manager, but to the other players selected and the N.H.A.A. organization. Tournament players must be willing to commit to additional practices and game schedules throughout the tournament season. Once tournament play begins, it is not uncommon to play multiple games each day of a particular weekend.

North Hills Athletic Association will pay the tournament entry fee for two tournaments for each selected tournament team. Any additional tournament fees, including uniforms are shared among the selected parents of the particular team.

If your child wishes to be considered for selection to a baseball or softball tournament team, please return this form to your child's team manager. Return all forms by...Sunday, May 17, 2009.
